Service Information

Shock absorbers

Ford Focus C-Max **Renault Clio III**	Item no. 313 283, 313 287, 313 291, 313 562, 313 564, 313 575, 400 062

Standardization measures can mean that the shock absorber you remove has a shorter piston rod than our product. This is due to a change in the compression stop mechanism.

You need not worry about replacing the shock absorbers **in pairs.**
