

SACHS is a
brand of ZF

World leading OE supplier -

SACHS Complete Clutch Kits

Developed to meet the highest demands of the world's leading car makers, SACHS clutch kits and full line of components are OE-matched to provide consistent quality. SACHS Clutch program includes kits, covers, discs, bearings, flywheels, forks, cables, and master and slave cylinders. By offering benefits across the SACHS platform not found anywhere else, customers can be ensured to receive the most complete clutch kit line in the industry, unmatched Asian, Domestic, and European coverage, exclusive parts, and a complete range of complimentary parts and upgrades.
