

The ZF list of lubricants **TE-ML 09: Steering systems and oil pumps for cars, commercial vehicles and off-road vehicles** will, effective as of 2015-04-01, no longer be maintained or published by ZF Friedrichshafen AG. Responsibility for this will pass to Robert Bosch Automotive Steering GmbH due to the separation of ZF Lenksysteme GmbH from ZF Friedrichshafen AG.

You will be able to find the lists of lubricants for these products here:
