

Manufacturer	Model	Type ID	Information		
Alfa Romeo	All vehicles		Ricambi number = Alfa Romeo spare parts number. This number is only shown in the Alfa Romeo spare parts program in connection with the vehicle identification number (VIN).		
	Brera	939	Q-Tronic = 6-speed automatic transmission		
	Spider				
	Giulietta	940	TCT = Twin Clutch Transmission		
Audi	All vehicles with sports suspension (except A7)		The sports suspension is not suitable for vehicles with S-Line package.		
	A7	4GA	The sports suspension is equal to the S-Line package variant.		
	Q5	8R	Suspension	PR code	Information
			Standard	1BA	---
				2MF	Hybrid 4x2 / Hybrid 4x4
			Sports	1BD	SQ5
			Sports / S-Line	1BV	---
	AMR	1BL	Audi Magnetic Ride		
PR code = Identification code for equipment variants (service book / sticker in spare-wheel well)					
LT	8J3	AMR = Audi Magnetic Ride (electronically-controlled shock absorbers)			
TT Roadster	8J9	S-Tronic = dual clutch transmission			
BMW	Z4	E89	DCT = Double Clutch Transmission		
Citroën	C-Crosser	EP_	DCS = Dual Clutch System		
	C3 II	---	EGS = Electronic Gearbox System (automated manual transmission with five gears)		
	C4 II	B7			
	DS3	---	EGS6 = Electronic Gearbox System (automated manual transmission with six gears)		
DS4	---				
FIAT	All vehicles		Ricambi number = FIAT spare parts number. This number is only shown in the FIAT spare parts program in connection with the vehicle identification number (VIN).		
	500	312	EPS = Electric Power Steering		
	Dobló	119	Exact assignment of suspension springs is only possible by their OE numbers.		
	Dobló Cargo	223			
	Panda	169	Exact assignment of suspension springs is only possible by their color codes.		
Honda	CIVIC VI	EJ	CVT = Continuously Variable Transmission		
		EK			
Hyundai	i30	FD	The vehicle identification number (VIN) depends on the country of manufacture: KMHxxxxxx = South Korea TMAxxxxxx = Czech Republic		
	i30 CW				
KIA	Cee'd	ED	Not for tire size 225/45 R 17.		
		JD	Not for Russian suspension variant.		
Mazda	2	DE	IPM = Integrated Powertrain Management		
Mercedes-Benz	All vehicles		See SACHS Service Information 11625 EN		
Mini	All vehicles	Trim code S225A = Standard suspension			
		Trim code S226A = Sports suspension			
		Trim code S228A = Sports suspension John Cooper Works (JCW)			
		Trim code: Refer to vehicle identification number (VIN)			

Mitsubishi	ASX	GA_W_	The vehicle identification number (VIN) depends on the country of manufacture: JAxxxxxx = Japan
	Lancer Notchback	CY/Z_A	CVT = Continuously Variable Transmission
	Lancer Sportback	CX_A	
	Outlander II	CW_W	TC-SST = Twin Clutch Sport Shift Transmission VIN xxxxxxxxxxxFxxxxxx F = Vehicle is produced by NedCar (Netherlands)
Nissan	Pathfinder	R51	The vehicle manufacturer (OEM) only offers complete suspension strut modules for the front axle.
	Primera	P12	CVT = Continuously Variable Transmission
	Quashqai	J10	
	Quashqai +2	JJ10	
Opel	Astra	H	IDS = Interactive Driving System (electronically-controlled shock absorbers)
	Vectra	C	Depending on the country of manufacture, the vehicle identification number VIN may be specified twice: x1xxxxxx = Germany (D) x8xxxxxx = United Kingdom (UK)
Peugeot	308	4A_ / 4C_	EGS6 = Electronic Gearbox System (Automated manual transmission with six gears)
	4007	GP_	DCS = Dual Clutch System
Renault	Mégane III	BZ0_	CVT = Continuously Variable Transmission EDC = Efficient Dual Clutch
	Mégane III CC	EZ0/ 1	
	Mégane III Grandtour	KZ0/1	
	Grand Scénic III Scénic III	JZ0/1_	
Subaru	Justy I	KAD	ECVT = Electronically-Controlled Continuously Variable Transmission
Vauxhall	Astra	Mk V	IDS = Interactive Driving System (electronically-controlled shock absorbers)
	Vectra	Mk II	Depending on the country of manufacture, the vehicle identification number VIN may be specified twice: x1xxxxxx = Germany (D) x8xxxxxx = United Kingdom (UK)
Volkswagen	Passat CC	357	CIS States = Commonwealth of Independent States: Armenia, Kazakhstan, Moldova, Russia, Ukraine, Uzbekistan
	T4	---	See SACHS Service Information 11954 EN
